Assalam alaikom,

This was the first time I attended the event along with my son. It was indeed a great day which brought the communities together for a day of fun and activities.

Congratulations and full marks to all involved in organising the event.

Thank you to the COB for the wonderful day out at Creswalk. We thoroughly enjoyed ourselves and both (my children) wanted to stay longer at the end (which is always a good sign).

Weather was great, walk was lots of fun (good to get the blood pumping), lunch was good, kids entertainment was much appreciated and it was a wonderful opportunity to catch up with the community. With such hectic lives every chance to spend time with family and friends is most treasured.

So thank you again to u and the team. Well done, great job and look forward to crowswalk 2014 insha Allah.

From the Team at MAA, we wish to congratulate Crescents of Brisbane on their 10 Anniversary CresWalk 2013! We were honoured to be part of such a well-organised and fun-filled day! We thoroughly enjoyed walking/running along the Brisbane River and meeting so many new and familiar faces. The team's successful efforts of bringing the Brisbane community together for 10 years will always be appreciated, and we hope this will continue for at least 10 more, in sha Allah.

Dear Team Crescents

I write to congratulate the team on your ten year achievement in organising and hosting the annual Creswalk. This was the ninth year I entered and I have thoroughly enjoyed each and every one, with the added bonus of winning this year (with Eamonn of course!). More importantly, it is an event that is fun, friendly and for all to enjoy. It takes significant effort and professionalism to deliver such an event - team Crescents delivered and I look forward to many more.

Regards
