## Word from the Editor

Written by Imam Luqman Najib

Alhamdulillah, All praise belongs to Allah for allowing this newsletter to be produced. I have chosen the title to be 'A Simple Thank You', as this newsletter is dedicated to all those who have helped Al Tadhkirah Institute to grow where we are today.

Al Tadhkirah Institute is a nationwide Institute, having the Queensland branch lead the path to its development to become recognized as a leading islamic education provider.

We pride ourselves in the pursuit of spiritual purity through the exploration of sacred texts, contemporary, classical and Quranic.

*"One of our pinnacle achievement from 2018 was our students graduating the Quran Alive course, having translated the entire Quran from Surah Fatiha to Surah Naas."*

Our branch has been recognised and endorsed by Queensland's two peak bodies, Islamic Council of Queensland and Council of Imams Queensland; a testament to the legitimacy of Al Tadhkirah Institute Queensland as an authority in Islamic education.

The achievements of our 2018 graduating students was celebrated at our graduation Gala on the 22nd December 2018.

*"This year our Imams have returned to the classrooms to deliver the lessons, with the aim of molding an Islam conscious future generation."*

In 2019, we have upped our game by increasing the students numbers six folds from 8 to 48 students in our Quran Alive course, also introducing an online program for our interstate students. Another program that we are continuing to develop is our children's afternoon madrasah.

We request prayers from our readers that Allah SWT keeps us sincere and steadfast in 2019.
