Information Booth: Symposium and Expo on Queensland's Muslims

The Department of Families, Communities and Indigenous Affairs (FaCSIA) and the Islamic Council of Queensland Inc. (ICQ) are inviting expressions of interest from organizations to take part in the inaugural **Symposium and Expo on Queensland's Muslims** on 31st March, 2007 at the Grand Mercure Hotel, Brisbane.

The Symposium and Expo, which is being held nationally in each of the States, is an initiative of the Australian Government and ICQ, to highlight the achievements of Queensland's Muslims and to support the "Bringing Communities Together" strategy.

The Expo is scheduled to run from 9.00am until 5.00pm and will consist of booths and displays from various government departments, community organisations and associations.

A limited number of booths are available for organizations to promote their services, activities, and community involvement. The event is expected to attract community leaders, government ministers and officials and members of the public. The cost of the booth has been sponsored by FaCSIA.

If your organization is interested in being represented at this event it would be most appreciated if you would let us know as soon as possible so that we can arrange to accommodate you.

Should you have any queries, please do not hesitate to contact me. I look forward to hearing from you and for your organization to be a part of this exciting initiative.

Yours sincerely,
