On the outskirts of Maleny yet hidden away from the village hustle and bustle is Lyola Pavilions in the Forest. Nestled amidst rainforest and enjoying spectacular views, Lyola offers guests a chance to escape, de-stress and unwind by taking in the soothing sounds of mother nature...

Two secluded pavilions, fondly referred to as Hide and Seek, designed by award winning GOMANGO Architects offer you every creature comfort. From your own indulgent hideaway, sit back listening to water tumbling over mossy boulders within the depths of the rainforest while watching magnificent sunsets across the valley below.

Pamper yourself by taking an aromatherapy spa before curling up in front of the fire to watch a classic movie or listen to your favourite relaxing CD.

Stroll down to the rainforest with a good book and recline on comfortable chairs set on a wooden platform overlooking the stream below.

Spoil yourself soon at Lyola, *it's where the little things count...*

We opened in November 2000 and offer two architectural award winning and intimate, Eco Accredited pavilions called "Hide" and "Seek". Each pavilion contains a queen size bed, fine linens, double spa and fireplace. Kitchen and cooking facilities are also provided, as are all your continental breakfast provisions for each day of your stay. Little extras like bathrobes, fluffy towels, aromatherapy products and gourmet surprises help make our guests feel pampered and relaxed.

"Seek" has an uplifting feel (*one guest aptly described it as a funky forest house*) created through its use of an energising pallet of colour. It rises some 10 metres off the ground and is reached by a raised boardwalk, "Seek" boasts stunning, sweeping views over the Conondale Valley, which changes from containing lakes of mist to spectacular sunsets.

This is a private sale for an amazing break that I can no longer use. Please contact me if you're interested 0424141623.
