

Queensland Government Grants

June 2014

Introduction

This Queensland Government grants document is a summary of all grants available to Queenslanders, community groups and industry at the time of publication. The grants cover a range of industries and interests from sport, arts and events to education, disaster relief and environment.

Each listing contains a short summary of the grant available along with information on the eligibility criteria on how to apply.

For more information, please refer to the particular grant you are interested in.

A list of social services grant and funding programs, as well as high level information about social services investment provided by the Queensland Government, is available from the Investment Portal web page at www.qld.gov.au/socialinvestment. At present this information focuses on social services, however from July 2014 this information will be updated to include information on all Queensland Government grant and funding programs. Government Departments and agencies involved in the delivery of services for the Queensland community will regularly contribute information to the Investment Portal to maintain this centralised reporting point for transparent and consistent information on Queensland Government investment in our community.

Sports grants

Get in the Game

Department of National Parks, Recreation, Sport and Racing

The Queensland Government's Get in the Game initiative supports sport and recreation at the grassroots level.

Get in the Game comprises three funding programs worth \$47.8 million over three years.

Get Started, *Get Going* and *Get Playing* are designed to get more people, especially children and young people, playing sport and involved in recreational activities.

For more information visit www.nprsr.qld.gov.au

Get Started

Get Started assists children and young people who can least afford or may otherwise benefit from joining a sport or recreation club. Eligible children and young people are provided with a voucher of up to \$150 to help pay for club membership and/or participation fees. The vouchers can be redeemed at a sport or recreation club registered with the program.

Get Going

Get Going supports local sport and recreation organisations with funding of up to \$10,000 for projects that create opportunities for more Queenslanders to become members.

Get Playing

Get Playing provides up to \$100,000 in funding to assist local sport and recreation organisations with facility development so more Queenslanders are encouraged to become involved in the sport or recreation activity of their choice.

Get Out, Get Active

Department of National Parks, Recreation, Sport and Racing

Get Out, Get Active was developed in response to recommendations from *Start Playing, Stay Playing: A plan to increase and enhance sport and active recreation opportunities for women and girls* to partner more proactively with local governments as a key provider of active recreation opportunities. Councils are able to apply for funding for one project up to a maximum of \$20 000.

For more information visit www.nprsr.qld.gov.au.

Young Athlete Assistance Program

Department of National Parks, Recreation, Sport and Racing

This program assists young athletes in Queensland who have competed at a state or state school championship, national or national school championship or international championship. Financial assistance of \$200 is available to assist with the cost of travel and accommodation for an eligible championship.

For more information visit www.qld.gov.au/youth/sport-recreation-leisure/young-athlete-assistance-program/

Queensland Sport and Recreation Industry Development Program

Department of National Parks, Recreation, Sport and Racing

The Queensland Sport and Recreation Industry Development Program provides funding to state level sport and active recreation organisations to increase the participation of Queenslanders in sport and active recreation. Funding of \$28.2 million is being provided in the period 2014-16.

The program supports the delivery and development of sport or active recreation through the coordination of state-wide activities, programs, services and events. The program's primary objective is to increase grassroots participation. In supporting this primary objective, the program will also focus on:

- club/association support and development
- improving service delivery to clubs/affiliates and stakeholders.

Enhancing women's and girls' participation and involvement in sport or active recreation through the above activity areas is seen as a key program priority. Funding allocations under this program have been finalised for 2014-16.

Queensland Sport and Recreation Industry Peak Body Program

Department of National Parks, Recreation, Sport and Racing

The Queensland Sport and Recreation Industry Peak Body Program provides funding to industry peak bodies to work in partnership with the Queensland Government to develop their sector of the sport or active recreation industry at all levels across Queensland. Only two organisations are currently eligible for funding under the program – QSport and the Queensland Outdoor Recreation Federation (QORF). Funding of \$1.5 million is being provided in the period 2014-16.

School Sports Boards Grants

Tourism and Events Queensland Regional Development Program

Tourism and Events Queensland

Tourism and Events Queensland's Regional Development Program (RDP) is an investment program designed to extend the flow of economic and social benefits of events to regional Queensland.

In collaboration with local councils and Regional Tourist Organisations (RTOs), the Program supports a diverse portfolio of events which help to attract a continuous stream of interstate and international visitors to Queensland while also raising the profile of the state nationally and overseas, encouraging future tourism and investment.

Events that receive funding through the RDP vary in size, theme and purpose and range from music, art and food festivals, to sporting events and regional and cultural celebrations. These events showcase regional Queensland, attract visitors and enhance their experience, and retain valuable tourism dollars within the region and state.
