

Australian International Islamic College

By Mariam Banwa – Deputy Principal

Australian International Islamic College is a co-educational institution aiming to provide education in a safe and caring environment. Our aim is to make religious and moral education an integral part of the curriculum. We will always endeavour to provide quality resources to facilitate effective teaching and learning. We are continuously investing towards the improvement of resources to enhance the teaching and learning environment.

ACADEMIC ACHIEVEMENTS

It is very pleasing to note that our results for the 3,5,7,9 Literacy and Numeracy Tests were very encouraging. We will always strive to develop initiatives to improve educational outcomes for all our students.

Every year our college participates in the ICAS competitions in Mathematics, English, Spelling, Writing and Computer Skills. Masha Allah our students have achieved distinctions and credits. The following students must be commended on their outstanding achievement.

REFLECTIONS..... ON OUR ANNUAL COLLEGE EVENTS

- Sporting activities play an integral part in the extra curricular activities at our college. We had a successful sports day, swimming program, netball and volleyball.
- We have had a very successful fundraising dinner on the 21st June 2008. We once again thank teachers, parents and volunteers for their great effort.
- Our College Fete proved to be a huge success with a variety of stalls, international foods, games and rides for children.
- On the 19th September the college held its Annual Iftaar Dinner and MashaAllah it was very well attended. Amongst our special guests were Dr Sheikh Mahmood Muhammad Al- Shanqiti (from the Makkah Dawa Centre, Ministry of Islamic Affairs), Keyser Trad (Member of the Board of Trustees), Dr Mubarak Ali Noor (Principal of the Islamic College of Brisbane), Mr Anwar Benjamin (Chairman of the board, Islamic College of Brisbane), as well as Councillor Milton Dick (Richlands Ward Office). Our thanks to all who assisted in the preparation and organisation and also to everyone who attended.

CURRENT UPDATED FACILITIES

- The college provides the latest available educational resources.
- Every student has access to a laptop computer.
- Our computer lab. is well equipped with 20 computers including high speed internet access. All classrooms are equipped with 3 computers each. 15 new computers have been purchased.
- Our science lab. is well resourced with the necessary equipment for experiments to be conducted.
- Our library is well resourced and caters for all year levels.

OUR FUTURE PLANS FOR 2009

- Focus and emphasis on improving literacy and numeracy skills by providing additional support for students through various enrichment and extension programs.
- Refining and reviewing college policies to ensure that it is implemented effectively.
- Improve Islamic values in all school activities that will ensure our students become good practicing Muslims and be able to contribute positively to the wider Australian community.
- Commencement of the second stage buildings – 8 more classrooms to accommodate increasing numbers.
- Currently under construction is the much needed shaded area which will allow students to enjoy tea and lunch breaks undercover. This will be used for the secondary assembly area as well.

TEACHING POSITIONS FOR OUR CAMPUSES, DURACK, CARRARA & BURANDA

As another year draws to a close, planning for 2009 is well underway. To cater for our growing numbers, the college invites applicants for both primary and secondary positions for 2009.

- Primary school teachers
- Secondary school teachers for the following subjects, English, Maths B, Biology, Science, Physics, and Chemistry
- ESL Teacher
- Experienced and qualified Arabic and Islamic Studies teacher
- School secretary

Since our humble beginnings in 2002, Australian International Islamic College has become an important and integral educational institution within the Brisbane community. This was made possible with the help of Allah (SWT), by the support of parents and dedicated staff members and management. May He guide us all through the rest of this year InshaAllah.
