PRESENTS

# NETWORKING

**WITH GUEST SPEAKER: LISA BUTLER**

*Author of 'Networking Exposed'*

[www.networkingexposed.com.au](http://www.networkingexposed.com.au)

and co-director of Paragon Associates.

Everyone networks - for both business and pleasure.  
Networking is critical to both personal and business success,  
and can make business development easier.  
It is a skill that helps establish and maintain genuinely  
healthy relationships with others.

Join the Muslim Business Network for an insightful evening  
exploring the techniques and benefits of Networking, over  
dinner.
