*Dear Delegates*

*Towards Common Ground* is a forum that aims to promote dialogue, knowledge sharing and understanding towards common ground for a shared future.

The first forum the “*Queensland Muslim Women Conference*” has been generously supported and will be hosted by HE the Governor of Queensland Ms Quentin Bryce AC.

To promote dialogue and provide delegates with an opportunity for discussion, we chose to focus on four topical themes:

- *women in Islam, where do Australian Muslim women stand*
- *employment and training, the barriers to learning and earning*
- *health and wellbeing, the challenges to be addressed*
- *society and settlement, the issues for consideration*

Topics under these themes will be delivered by a wide range of speakers from academia, non-government organisations and community groups involved in the delivery of services to migrants and refugees.

Our panels of presenters are from Griffith University Islamic Research Unit, QUT, University of Sydney, University of Western Sydney, Human Rights and Equal Opportunity Commission, Amnesty International, Youth Affairs Network Queensland, Access Inc. Islamic Women’s Association of Queensland, Muslim Business Network, Australian Multicultural Foundation and other community organisations.

This conference is aimed at people involved in policy development, community-related research or service delivery, private sector employers, the media and members of the public who want to understand more about our multicultural society.

I have attached a registration form and I look forward to seeing many of you at the Conference.

Faiza El-Higzi
