Over the years, the Brisbane Shia community have been very unfortunate for not having any Mosque, Hussainia or a burial facility. The newly formed Islamic Shia Council of Queensland (ISCQ) have initiated a project for building the first Islamic Centre in Brisbane that will fill the gap and provide the mentioned facilities for the community. The project is worth A\$2 million, which would comprise of a main hall for Majalis, library, class rooms for madressa and Ghul e Mayet facility. The members from the community initiated the project by putting together contributions of A\$ 600,000.00.

The fund raising campaign for the project has been extended to other cities of Australia as well as overseas. This is a humble request from the Brisbane Shia community to Momeeneen in other parts of Australia and overseas to contribute financially towards this project. Your contribution will go a long way in materialising the dreams and securing the future of our children for generations to come. This is just a humble request from our Brisbane community to everyone who would directly or indirectly like to contribute financially in our pious intension. Your contribution will go a long way in materialising the dreams and securing the future of our children for generation to come Insha Allah.

For any donation big or small will be highly appreciated.
