Overall Winners:

Our task now is to ensure that our students are not just carriers of the text of The Holy Quran but also put into practice the great teachings of the Quraan. The Australian International Islamic College would also like to congratulate all other winners and participants of the Quran competition and would like to take this opportunity to congratulate all the teachers, parents and their respected Madrasahs and schools for their continuous efforts they have made in keeping the Quran alive in our children's lives. Every person who has been part of this Quran competition is a winner. The College would like to thank ICQ and the sponsors for organizing this event for our children.

May Allah S.W.T. make us from amongst the people of the Quran who recite and practice the Quran throughout the hours of the day and night and in every moment of our lives, Ameen.
