

THANK YOU, PROF MOHAMAD ABDALLA

The community of Queensland, represented by their respective organizations, gratefully acknowledge the enormous contributions made by Prof Mohamad Abdalla to our State of Queensland in his many roles as an academic, Imam, teacher, counsellor and community leader.

In these often difficult times for the Muslim community, Prof Abdalla has succeeded in presenting a balanced, reasoned and informed image of Islam and Muslims both within the community and to the wider-Australian society.

We wish Prof Abdalla every success that he so justly deserves in all of his future endeavours, *insha'Allah*.
