

AUSTRALIAN INTERNATIONAL ISLAMIC COLLEGE KINDERGARTEN NEWS

At the Australian International Islamic College Kindergarten, we have been busy learning about Hajj.

This term our Islamic Studies program has concentrated on the stories of the Prophets of Allah and an in depth study of the life of Prophet Ibrahim (a.s) was implemented. Through the experience children explored the concept of Hajj, watching video footage and learning the special prayer when making Tawaaf.

We also embarked on a journey to our Annual School Hajj as part of a wider learning of the Islamic Studies Program at the Australian International Islamic College hosted by the Imaams of the College.

The excitement was apparent when our Kindergartners lined up at the International Airport to get their passports certified and visas stamped. We continued our Journey under the instruction of our learned Imams to the next stop which was Mecca where we circled the Kabaah seven times followed by our travels to Mina, Muzdalifah and Mount Arafat.

We have also engaged with a Community Helpers unit through which we have had many exciting visitors attend the kindergarten, including Australia Post, Qld Police Department, Oral Health Qld and our very own Teacher Librarian.

Through these experiences we have been able to develop Dramatic Play stations where children are challenged to engage with executive thinking skills and further explore the roles of our community helpers.
