The Queensland Government has some exciting volunteer roles available at the upcoming Queensland Multicultural Festival.

This landmark event celebrates all things multicultural with a program of over 80 artists across 10 stages.

The following roles are currently available but be sure to get in quick!

Green Room Attendants

Working in one of the two Green Rooms at the event hosting artists before and after their performance.

Information Attendants

Working in one of the two Information Booths at the event providing information and assistance to event patrons.

Performers Welcome / Artist Liaison

Welcoming performers, assisting them with their equipment, escorting them to their performance venue and introducing them to the Stage Manager.

Venue Assistants

Working with the Venue and Stage Management teams to ensure the smooth running of the program
