## RE: QURAAAN READING COURSE

*All praise is due to Allah (swt) the nourish-er, the sustainer, and salutations upon Nabi Muhammed (saw) we ask Allah to guide us protect us and accept our efforts Ameen.*

Inshallah with the permission of Allah we would like to start a Quraan class for adults who want to brush up on their Quraan recitation and learn to read the Quraan with proper pronunciation (Tajweed)

### ***This course will cater for people who:***

- >do not know how to read the Quraan,
- >do not know how to recite with proper pronouciation (Tajweed)
- >want to recite with fluency
- >want to memorize parts of the Quraan
- >want to correct their Tajweed in Surah Faatiha and last ten surahs

### ***Aim of the Course:***

- >Please Allah (swt)
- >One learns to recite with proper tajweed so that meanings of ayats are not altered.
- >To recite from anywhere in the Quraan with ease and fluency
- >For every persons Faatiha and last 10 surahs to be recited correctly
- >To gain love for the Quraan
- >To enable one to finish their own Khatam in the month of Ramadan
- >After course completion parents are able to teach their own children.

### ***Duration***

- > ***Date:*** Once a week (Every Monday)
- > ***6 months Course***
- > ***Time:*** After Ishaa for One Hour

*This course is divided into two parts. The first half hour will be dedicated to Quraan recitation. Students will learn how to pronounce every letter from its origin (to give the right of every letter) and to learn how to join letters with proper Tajweed. Student will also discover that if a particular letter is not pronounced accordingly it changes the meaning of the word altogether. The second part of the course will focus on Surah Faatiha and the last ten surahs. Emphasis will be put on its correct recitation as these surahs are read in salaah on a daily base and it is very important that we read it properly with Tajweed, for if a person reads Surah Faatiha with major mistakes his salaah is not accepted, may Allah save us.*

### ***Requirements:***
