

Distance Learning Program

... A UNIQUE LEARNING EXPERIENCE

Welcome to al-Ghazzali Centre Academy's **Distance Learning Program (DLP)**. This program is unique and very different from any other "online" or "distance learning" programs. Al-Ghazzali Centre maintains a high level of traditional "teacher contact" accessibility as part of the program- the first of its kind available today.

The Distance Learning Program is offered to any seeker of knowledge from any part of the world, except Sydney (and surrounding regions bounded by Wolongong, Gosford, Mittagong and Leura). And upon your successful enrolment by meeting the requirements, you are guaranteed a Teacher to visit you through every module of the course you have enrolled in. Al-Ghazzali Centre Academy is committed to the traditional means of learning, as well as maintaining high standards in the process of you attaining a sound grounding on Traditional Islam.
