

# FACE Inc and "Care for Education Project: Chad"

## Present: 'Iftar Saa'im' 'feed the fasting poor' in Chad

The Prophet, salAllaahu `alayhe wa sallam, said:

*"Whoever feeds a fasting person will have a reward like that of his reward (i.e. the one fasting) without his reward decreasing."*

*(Bukhari and Muslim)*

So providing food for the needy is from the best of actions. Also, the reward for giving charity in the month of Ramadan is multiplied many times.

I/we would like to sponsor one muslim to break fast for Ramadan for \$100

I/we would like to sponsor a family to break fast for Ramadan for \$300

I/we would like to donate a sum of \$            towards this program.
